SPRINGHILL
HOSPICE

Making every moment count

THERE ARE MANY WAYS THAT YOU CAN SUPPORT SPRINGHILL HOSPICE AT WORK. FIND ALL THE INFORMATION YOU NEED WITHIN THIS PACK.

ABOUT US

Springhill Hospice first opened its doors back in 1989. We are a 16 bedded purpose-built facility offering specialist palliative care to patients and their families from diagnosis to end-of-life. In order to meet the many and varied needs of all our patients and their carers, we have a Community Service which is delivered by a skilled multi-disciplinary. The Education Centre is a purpose built building which has a classroom, which can accommodate up to 25, and a well-equipped up-to-date library. Our Education Lead coordinates programmes of specialist palliative care and end-of-life care training to health and social care professionals.

FUNDRAISING IDEAS

Set a target!

There are so many ways to get involved with Springhill Hospice, from simply having a collection pot in your office to swapping jobs for the day...

Ideas:

Static Cycle: hire or bring in a gym bike, set up a sponsorship page, get the whole team involved and set a distance. This could be riding the distance between John o'Groats to Landsend.

Spot the Boss: collect baby photos from your workforce, pin them across your office and charge 50p to guess the boss.

Bake Off: get competitive about baking, charge your colleagues for a slice and get them to judge each item they buy.

Stick the kettle on: get the boss to do the tea round at 50p a cuppa and donate the money at the end of the week.

WHAT WE CAN DO FOR YOU:

- We have a dedicated Corporate Fundraiser to support you start to finish of your fundraising journey.
