challenge

2026/2027

Everything we do at Springhill depends on the generous support of people like you!

Inside this pack you can find a Springhill organised challenge event to suit your hobby, passion or bucket list item.

By taking part in one of our challenges, we can take the burden of the organisation leaving you to train or psych yourself up!

Together, we can achieve something extraordinary for you and for Springhill.

Without you, we wouldn't be able to provide vital care and support to people in the community, when they need it most.

“

The Hospice at Home Team supported the love of my life Brett. I decided to do a skydive to give something back to the Hospice. I am proud to have raised £2,030 which will help someone else to have the same level of care and commitment at the most heart-breaking time. I know Brett would be very proud of me too.
