

Did you know
57% of people
in the UK do not
have a Will?

(Financial Times - Jan 2024)

Make every moment count
with a gift in your Will.

Here at Springhill Hospice, we have partnered with local solicitors to support our **Make-A-Will scheme**. These solicitors are happy to assist you in creating your Will, waiving their fee and asking you to donate to support the Hospice instead.

Please visit www.springhill.org.uk/Make-a-Will or scan the QR code to the right.

- The Solicitor will then send over a drafted version of your Will **for you to check**
- 4 Once you are happy** with the contents, you will be invited in to sign your Will
- 5 When your Will has been signed and witnessed, it will be legal and effective**
- 6 We will then get in touch with you** so you can **make your kind donation** to the Hospice
