Making every moment count

Important note for fundraisers:

If you have been sponsored on the condition that you will complete a particular event or activity and this is cancelled, or you are unable to take part or complete the event or activity for any reason, you **MUST** contact sponsors and ask if they are still happy for sponsorship money to go to Springhill Hospice. If they say no to this, then you **MUST** refund them any money collected. If sponsorship is given without any such condition, then regardless of whether or not an event or activity is completed money promised can automatically be collected and paid to the Hospice.
