Warm wishes

Hello, my name is Sophia, I'm 11 years old and I would like to tell you the story of my lovely Nana Bridie, who was at Springhill Hospice over Christmas last year.

Christmas at the Hospice was like Christmas anywhere else. The Nurses put up lots of decorations, they put a Christmas Tree up in my Nana's room and decorated it with photos of our family that Nana had. Nana really liked the Christmas Tree in her room, I think it made her happy. I remember talking to her and remembering our Christmases together, this made me happy too.

Nurse Kathy would also sing Silent Night to Nana. This was her favourite Christmas song. We even played Silent Night at Nana's funeral to remember her time at Christmas in the Hospice. I think Nana would say that the Hospice helped her lots and got rid of her pain. I think she would say she was happy because she could spend time with us without being scared.

Thank you for reading my card. I hope you loved the story of my Nana!  Sophia

My mum, Joanne, and I think all the nurses are angels.

We got to know lots of the staff while we were there because Nana was there for a long time. They showed kindness when they gave me and my brother a memory box with teddies, blankets and knitted hearts to remember her by when she wasn't here anymore. When Nana was at home and we looked after her, I worried about her a lot, but when she was in the Hospice I didn't worry anymore. Me and my mum like going to the Hospice and taking treats for the patients to make them happy and for all the staff to say thank you for looking after my Nana.
