Business Buddy Scheme

The unique way to offer your support

As a registered charity Springhill Hospice is committed to providing specialist care for people who have a life limiting illness. The annual running costs are currently £3 million (of which we only receive approximately 30% from government funding). We rely on support from our community to meet this shortfall so that we can continue providing these vital services.

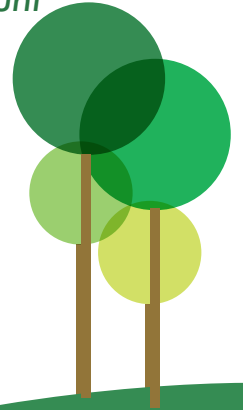

Benefits of the Scheme:-

- A framed certificate identifying your business as a Springhill Hospice Business Buddy.
- Your company details and logo displayed on the Hospice website with a hyper link to your website.
- Regular FREE Business networking events with other supporting companies.
- Regular Hospice updates.
- Two free lets of a meeting room at the Hospice per year.

So, how can the business community help?

You can help by becoming a Springhill Hospice Business Buddy.

The scheme is open to businesses of every size and sector. With an annual fee of just £300 (payable annually, quarterly or monthly) being a Business Buddy is a cost effective way to support Springhill Hospice

If your company is interested in becoming a Springhill Hospice Business Buddy then simply contact: Elaine McConnell at the Hospice on **01706 641790** or email: elaine.mcconnell@nhs.net
