Dear:

**Re: Community Volunteer Opportunities with Springhill Hospice**

Thank you very much for your recent enquiry regarding Community Volunteer opportunities with Springhill Hospice.

Springhill Hospice is an independent charitable organisation, providing specialist care to enhance the life of patients; their families, loved ones and carers. Our team of enthusiastic and reliable Community Volunteers provide invaluable support across the organisation and are supported closely by Hospice staff to ensure we consistently provide the highest level of service and care.

Springhill Hospice in the Community Service can give you the chance to have a variety of volunteering opportunities. I have enclosed the application form which you would need to complete and return at your earliest convenience.

Once I have received your completed application and satisfactory references, I will contact you to arrange a suitable time to visit the Hospice. This will be in order to complete a DBS form (Disclosure and Barring Service) which all applicants are required to do. If you have any queries or need any further information please do not hesitate to get in touch with me. I can be contacted on:
